Md Zubair

Full Stack Web Developer

Dedicated and motivated aspiring full-stack web developer. proficient in MERN stack. Collaborative team player, eager to work with interdisciplinary teams for organizational growth with a passion for creating new products. Looking forward to starting the journey as a full-stack web developer.

Projects

Ideakart-clone

- Ideakart is a site that gives an idea and a platform for the book you want. This site offers a huge collection of books in diverse categories.
- Collaborative project created along with 4 developers in 4 days.

Features:

Dynamic books page	Signup/Signin page
User dashboard	User account Information

Tech Stacks:

JavaScript	React	Chakra-Ui
HTML	Redux	CSS

Area of responsibility:

- Developing authentication part with the help of react-redux.
- Using React to create the pages.
- Adding Sign-up and Sign-in functionality to the application.

Licious-clone

- Licious is an online Meat & seafood ordering website. From here we can get delicious fresh chicken, meats, and seafood quickly delivered.
- This is a solo Project created in 4 days.

Features :

Checkout-page	Modal window sign-in/sign-up
Products-Page	Shop by categories
Cart page	

Tech Stacks :

JavaScript	React	HTML
Json-Server	Chakra-Ui	CSS

Area of responsibility :

- Building this project individually using React library
- Using various templates of Chakra-Ui to get all possible layouts as per the official website and trying to make the website more dynamic and responsive.

ACCHIVEMENTS

- **Captain of Kabaddi Team, Nishitha college of engineering and technology , 2017**
